Effective as of January 1, 2013

There is a \$20.00 fee for the registration of farm letters for tattoos. Reservations of these letters must be made through the records and registrations department of the national office in Columbus, Ohio.

The rules are as follows:

1. The tattoo number must be preceded by two (2) or three (3) letters which will be reserved as your farm's letters, for your farm's use only.
2. After your farm letters, at least one (1) number must be used with no duplication within the herd.
3. A year letter must follow the number. Example: letter for 2002 is "M".
4. Animals registered at any age can be registered by tattoo.
5. Tattoos should be placed in the left ear, as the right ear is used for vaccination and could be confusing later as a tattoo fades.
6. Green ink is recommended for the tattooing, but not mandatory.
7. Fees for registration by tattoo will be the same as photo or sketch and eartag identification.
